

*Together*

*Together, we can make it happen . . .*

# **WRHS**

**1975 Pioneer  
Warner Robins High School  
Volume 27**

I am he, as you are  
he, as you are me and  
we are all . . .

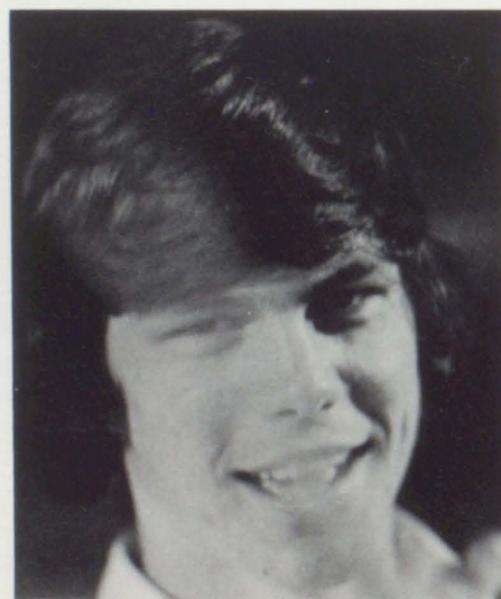

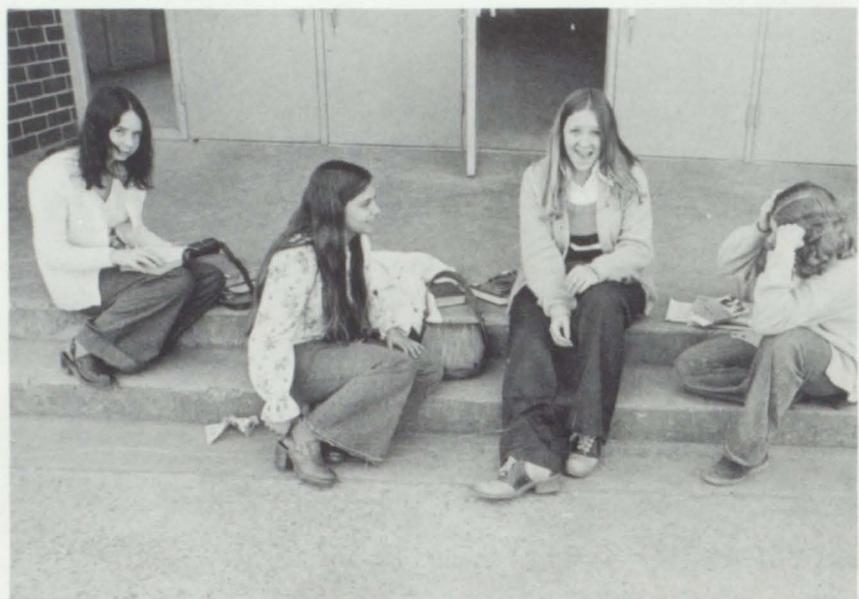

**TOGETHER.**  
**Lennon/McCartney**

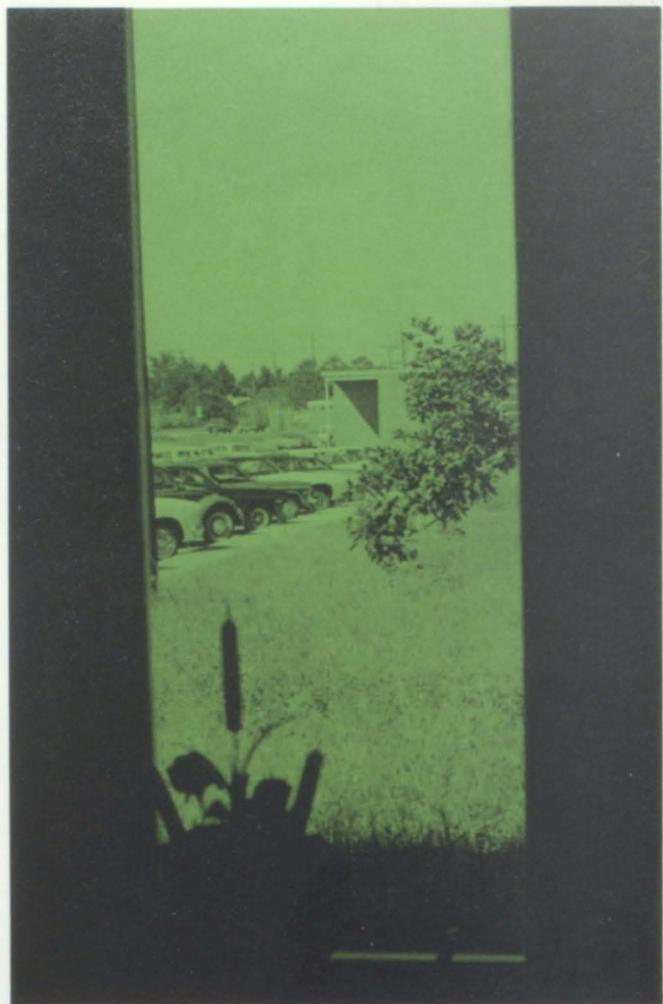

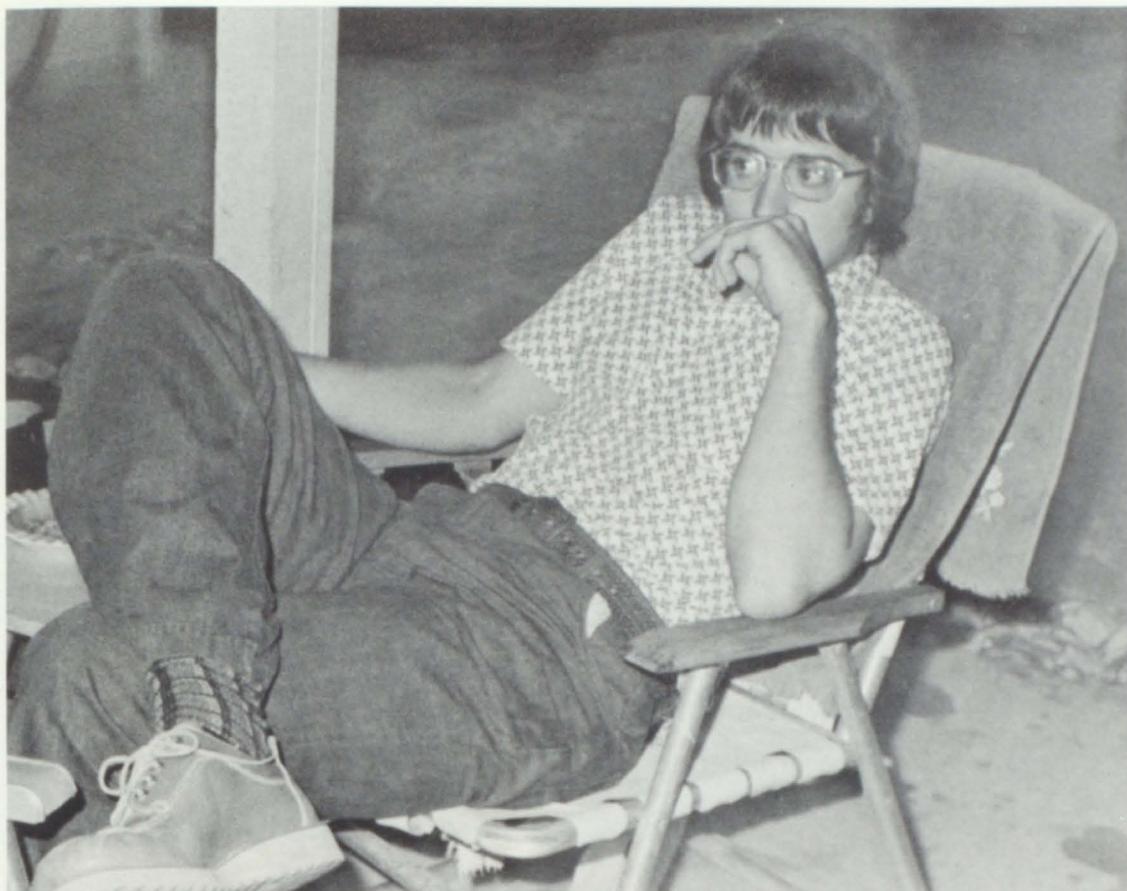

... One is a number, divided by two . . .

. . . All of us look at  
each other knowingly,

for the feeling that  
we knew each other  
in that most distant past  
conceals something else

. . . the realization  
that at  
the deep center of a  
time . . .

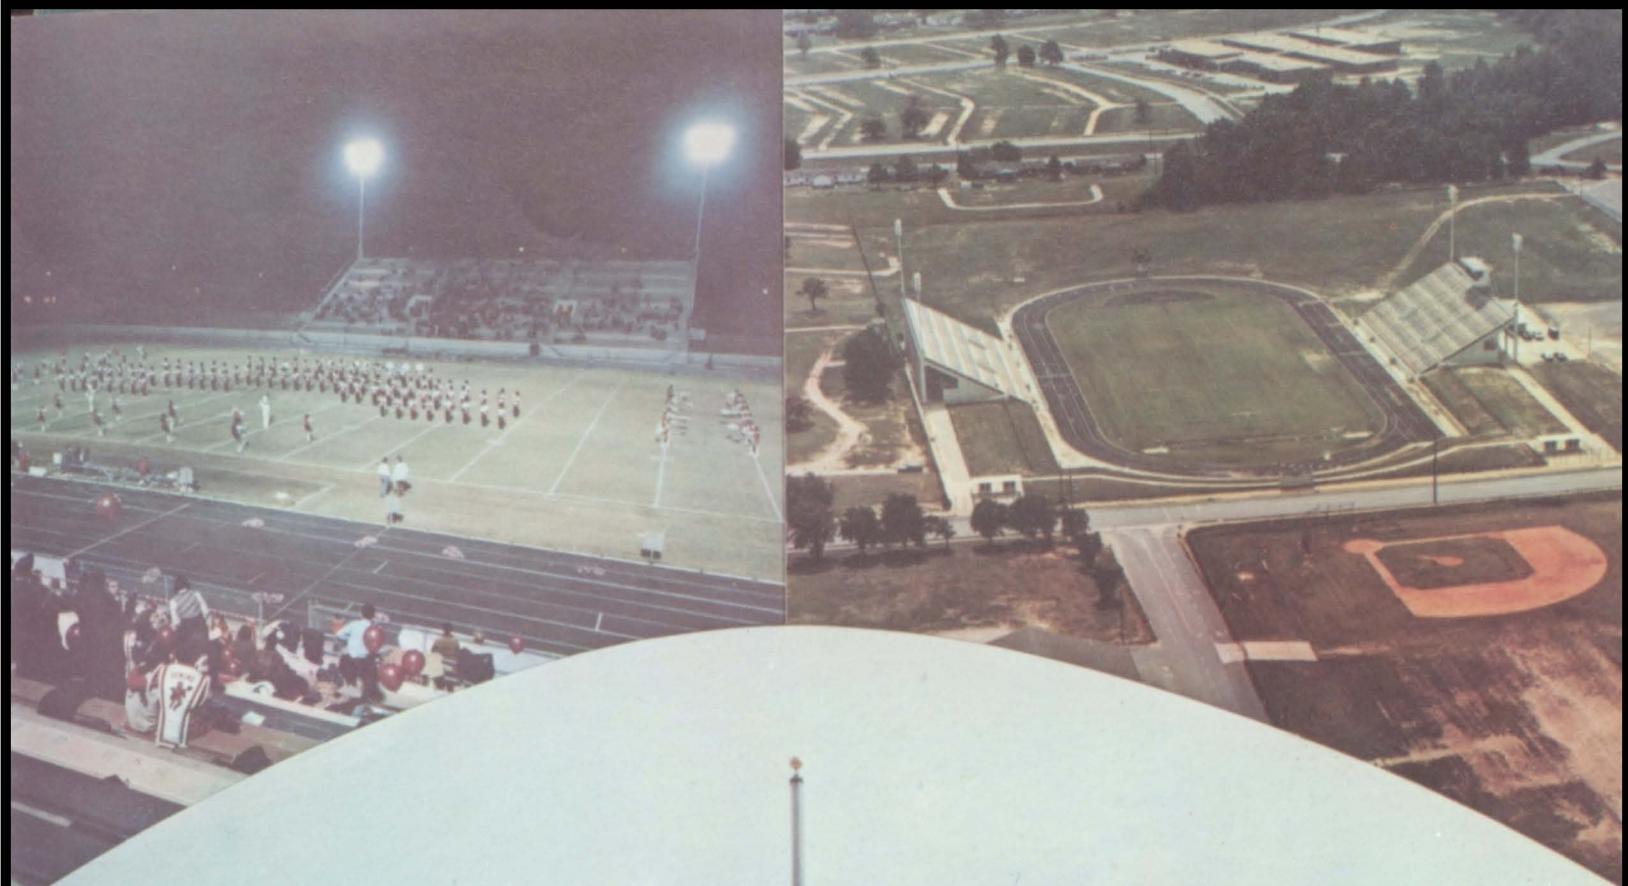

**we are, and always  
have been, ONE.**

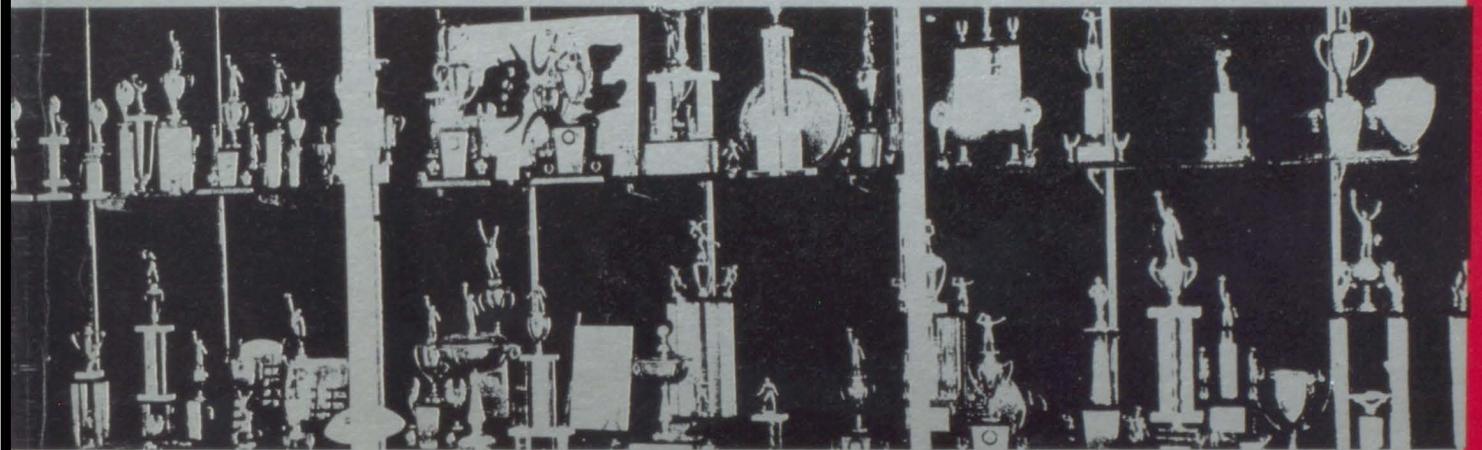

**Alan Watts**

**With others together each one  
is more able to find what he  
is becoming and where alone he  
must go.**

## Varsity Cheerleaders

The WRHS Varsity Cheerleaders, sponsored by Mrs. Jo Allen, have been a tremendous asset to the 74-75 school year.

Some of their activities included attending National Cheerleader Association Camp during the summer at the University of Georgia. There, they received four first place ribbons and two additional awards for outstanding spirit. They also boosted the spirit of the students by selling ribbons and buttons throughout the year.

These girls have done a superior job in helping make this year one of the greatest ever.

## REGENTS

Regents is a social and service club.

Activities start with initiation in September, slumber parties, teas, and sign making parties. The main service project of the year is selling calendars to raise money for a scholarship. This scholarship goes to a graduating senior.

A thing of beauty . . .

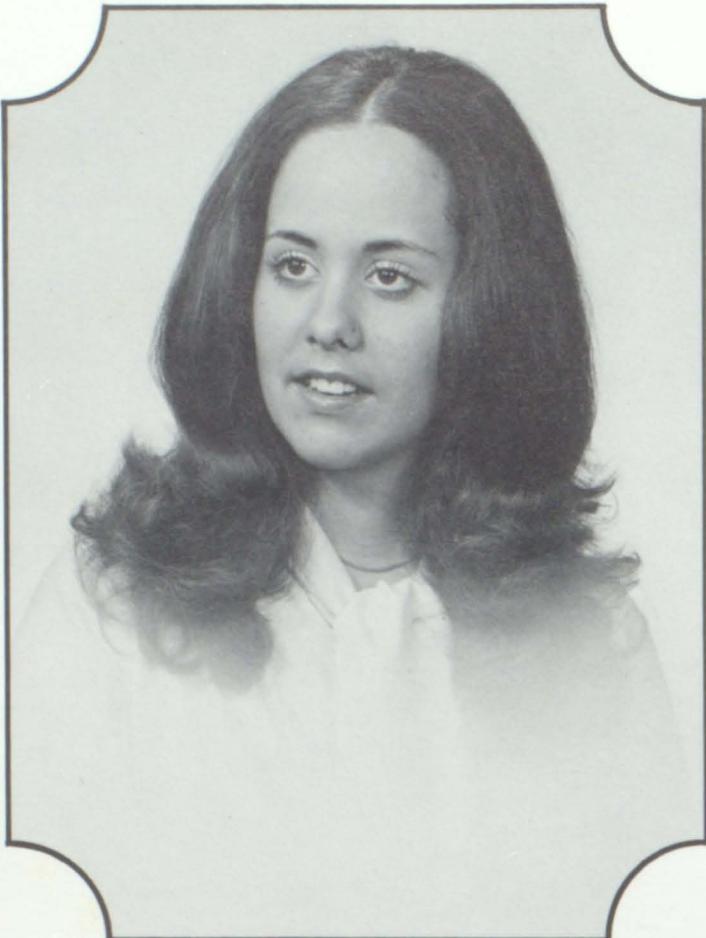

. . . is a joy forever.  
John Keats

What Christ is saying always, what he never swerves from saying, what he says a thousand different ways, but always with a central unity of belief is this: "I am my father's son, and you are my brothers." And the unity that binds us all together, that makes this earth a family and all men brothers and so the sons of God, is LOVE.

Thomas Wolfe

In just a short while the moments we've shared will have passed from us forever. The only thing that will continue to bind us together is the memories locked within our hearts. This is why the annual staff has worked so long and patiently on this treasure of the past. We have tried to capture experiences of good and bad times, feelings of love, hate, despair, frustration, happiness, achievement, and many other moods found beside us from day to day.

My thanks go to the 1975 Pioneer staff for their hard work and dedication and to our friends and families who've supported us through it all. An extra special thank you goes to Jim Elliott who helped carry the load when the going got rough.

The entire staff hopes that within this book some phrase, word, or picture will bring back again some experience shared and that memories will light the corners of your mind, reminding you of the things that will forever bind us together.

Love to all,  
Nadine

Time certainly has a way of passing by. Another year has come and gone, leaving only memories of our high school days. We have tried to capture through words and pictures, the life at Warner Robins High. It is our hope that in years to come, this book will serve as a reminder of a time that we once shared together.

I wish to express my appreciation to the administration, the entire Pioneer staff, and to Nadine, for just always being there. Good luck and may God bless.

Love,  
Sharnell

## ALMA MATER

Looking back a few short years  
When we made our plans and played the cards  
The way they fell

Clinging to our confidence  
We stood on the threshold of the goal  
That we knew dear

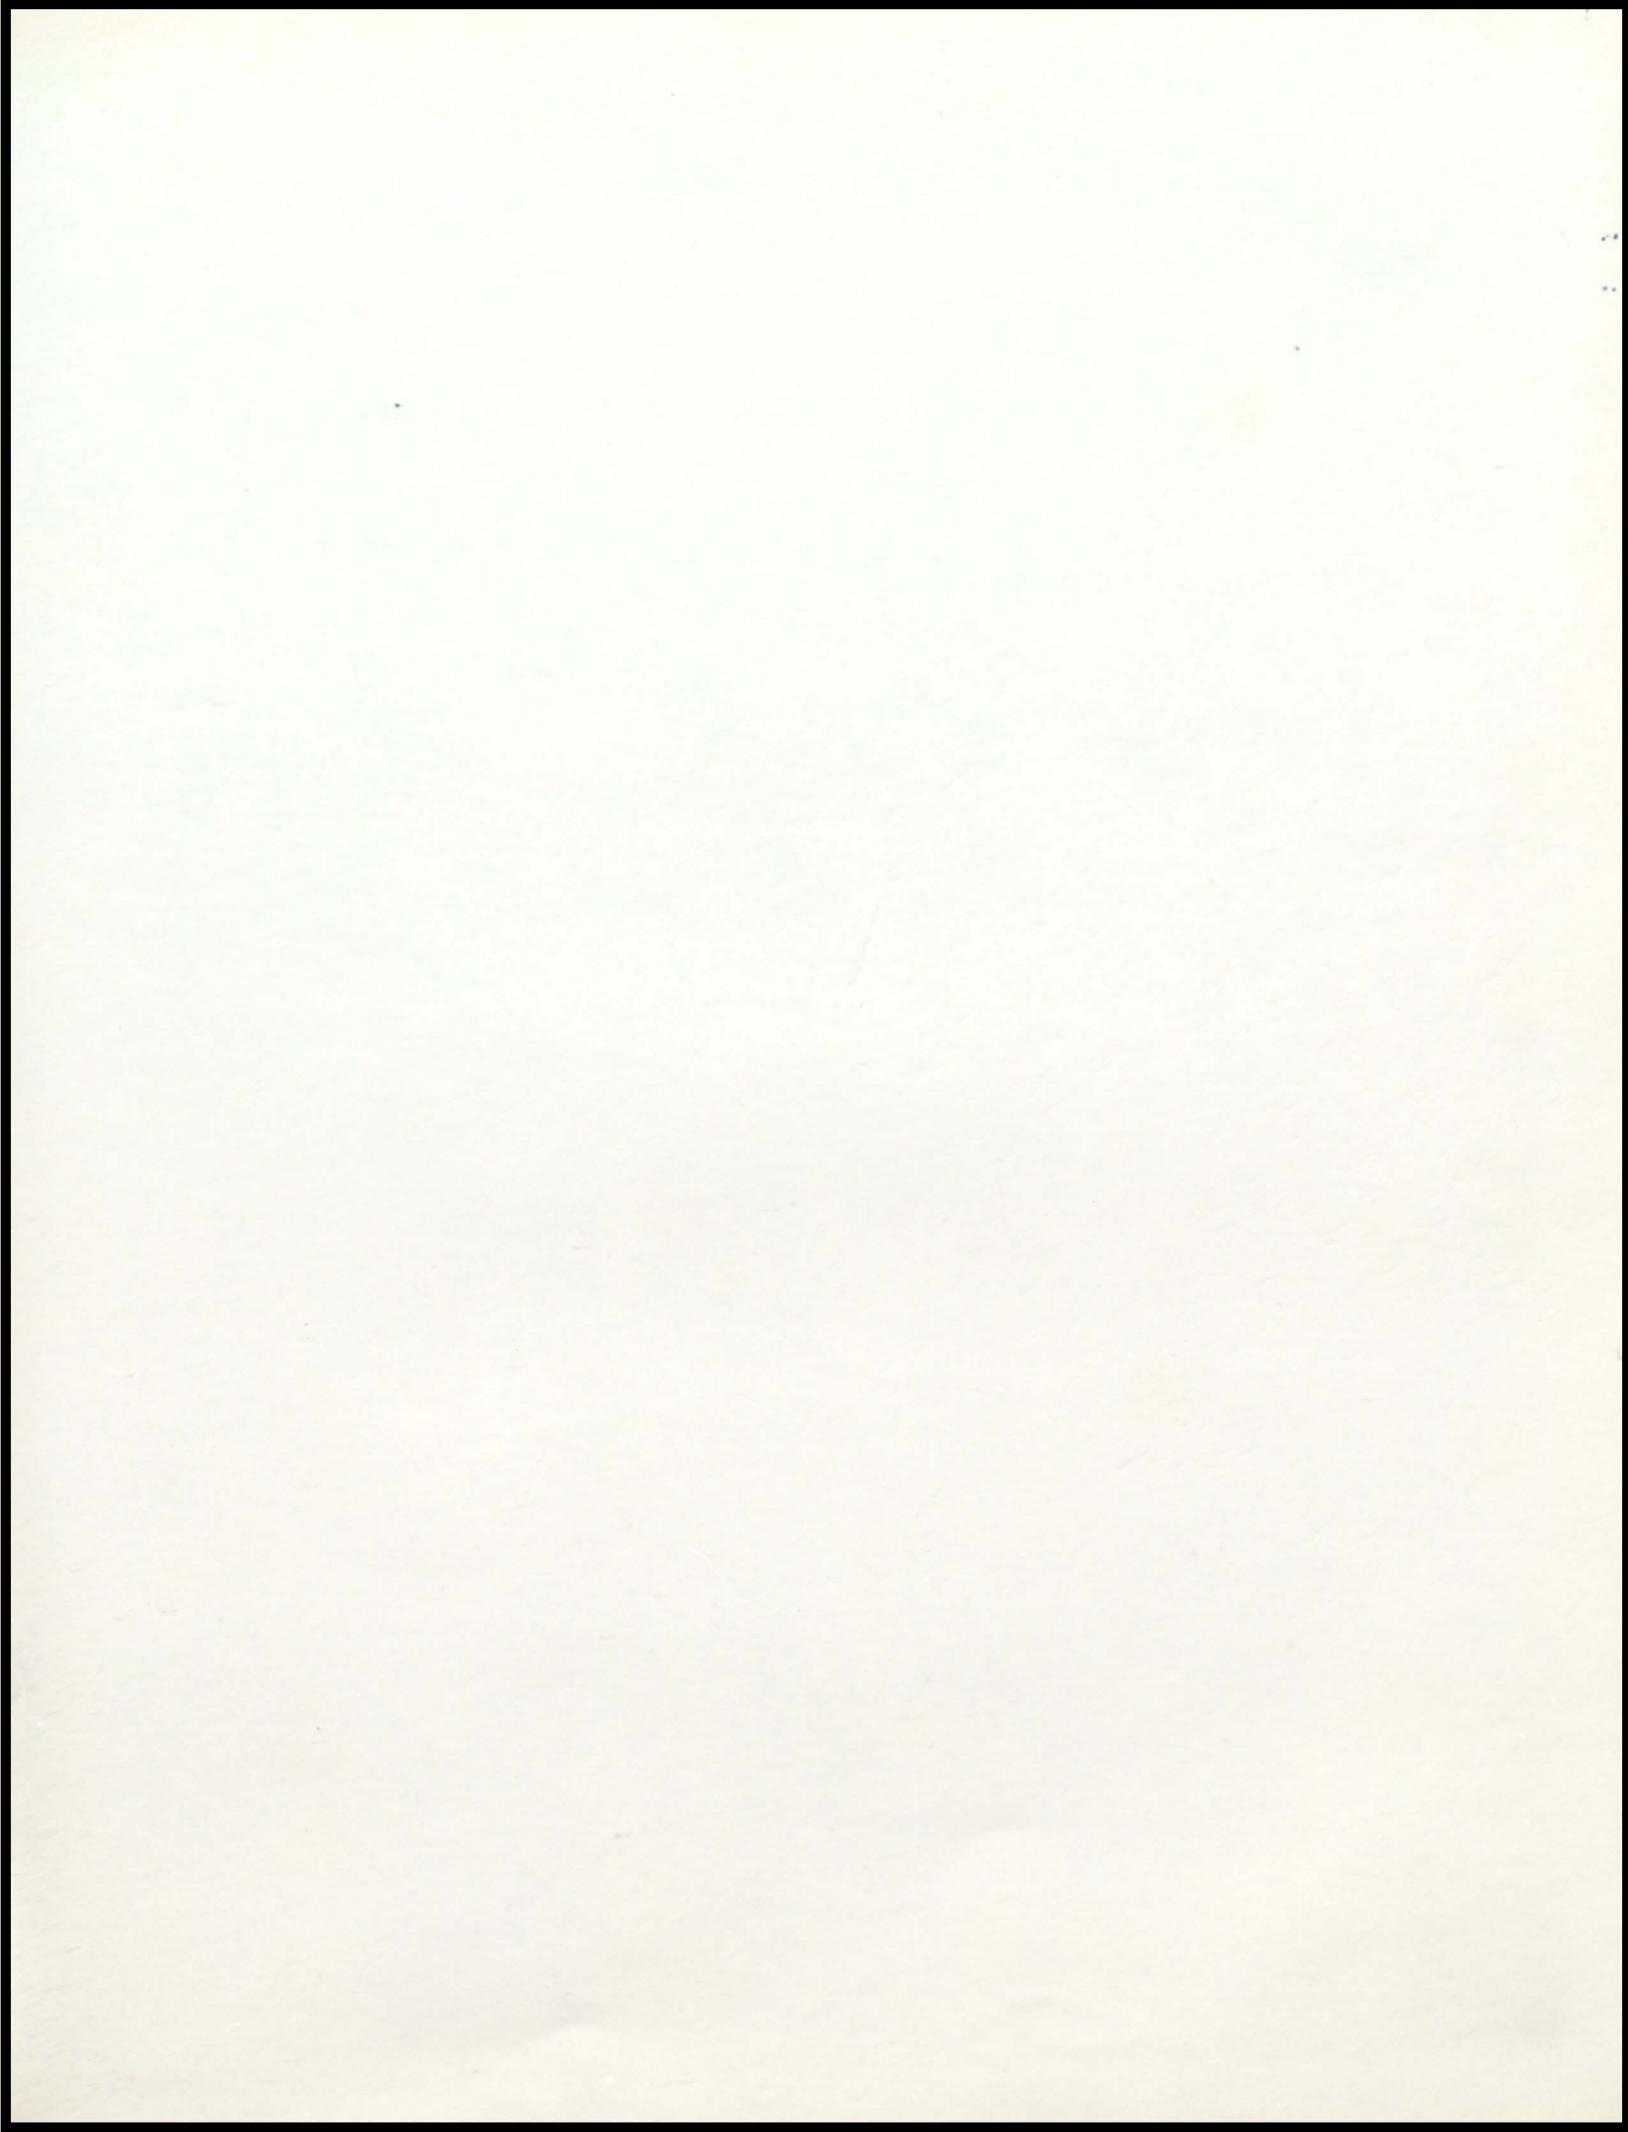

And though we had our fights  
Had our short tempered nights  
We couldn't pull our dreams apart  
All our needs and all our wants  
Drawn together in our hearts  
We felt it from the very start

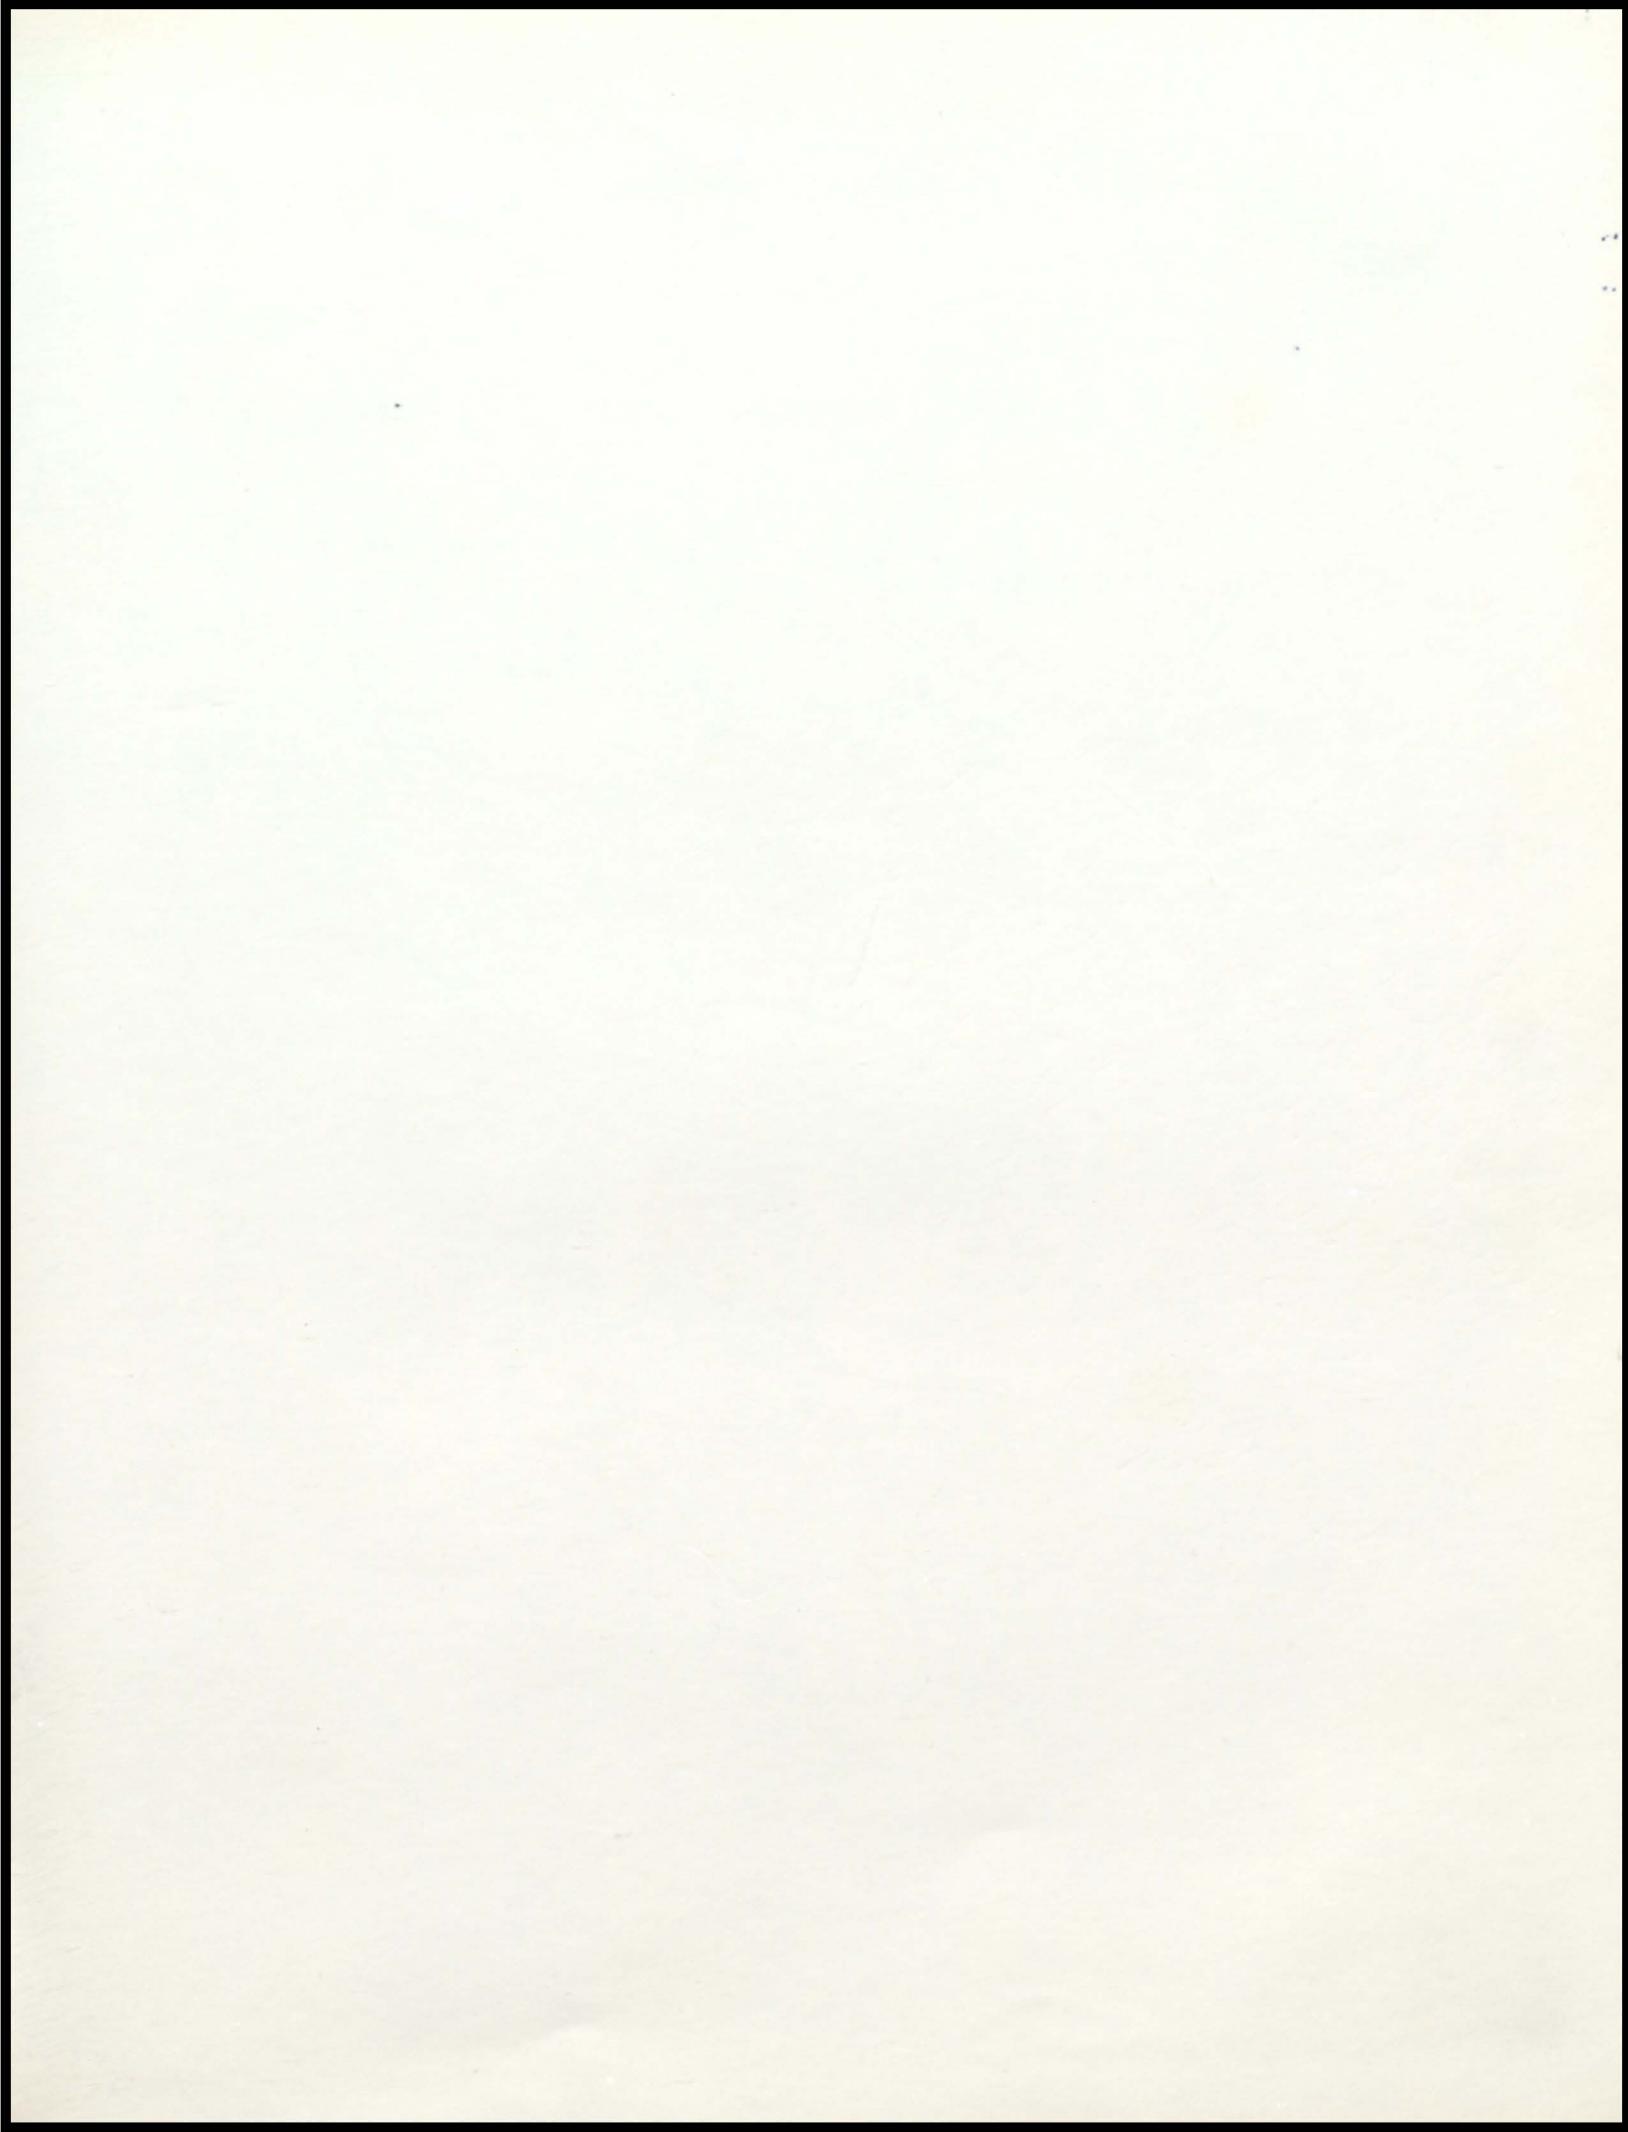

It's all happened recently  
Now we're living in that dream  
We had not long ago

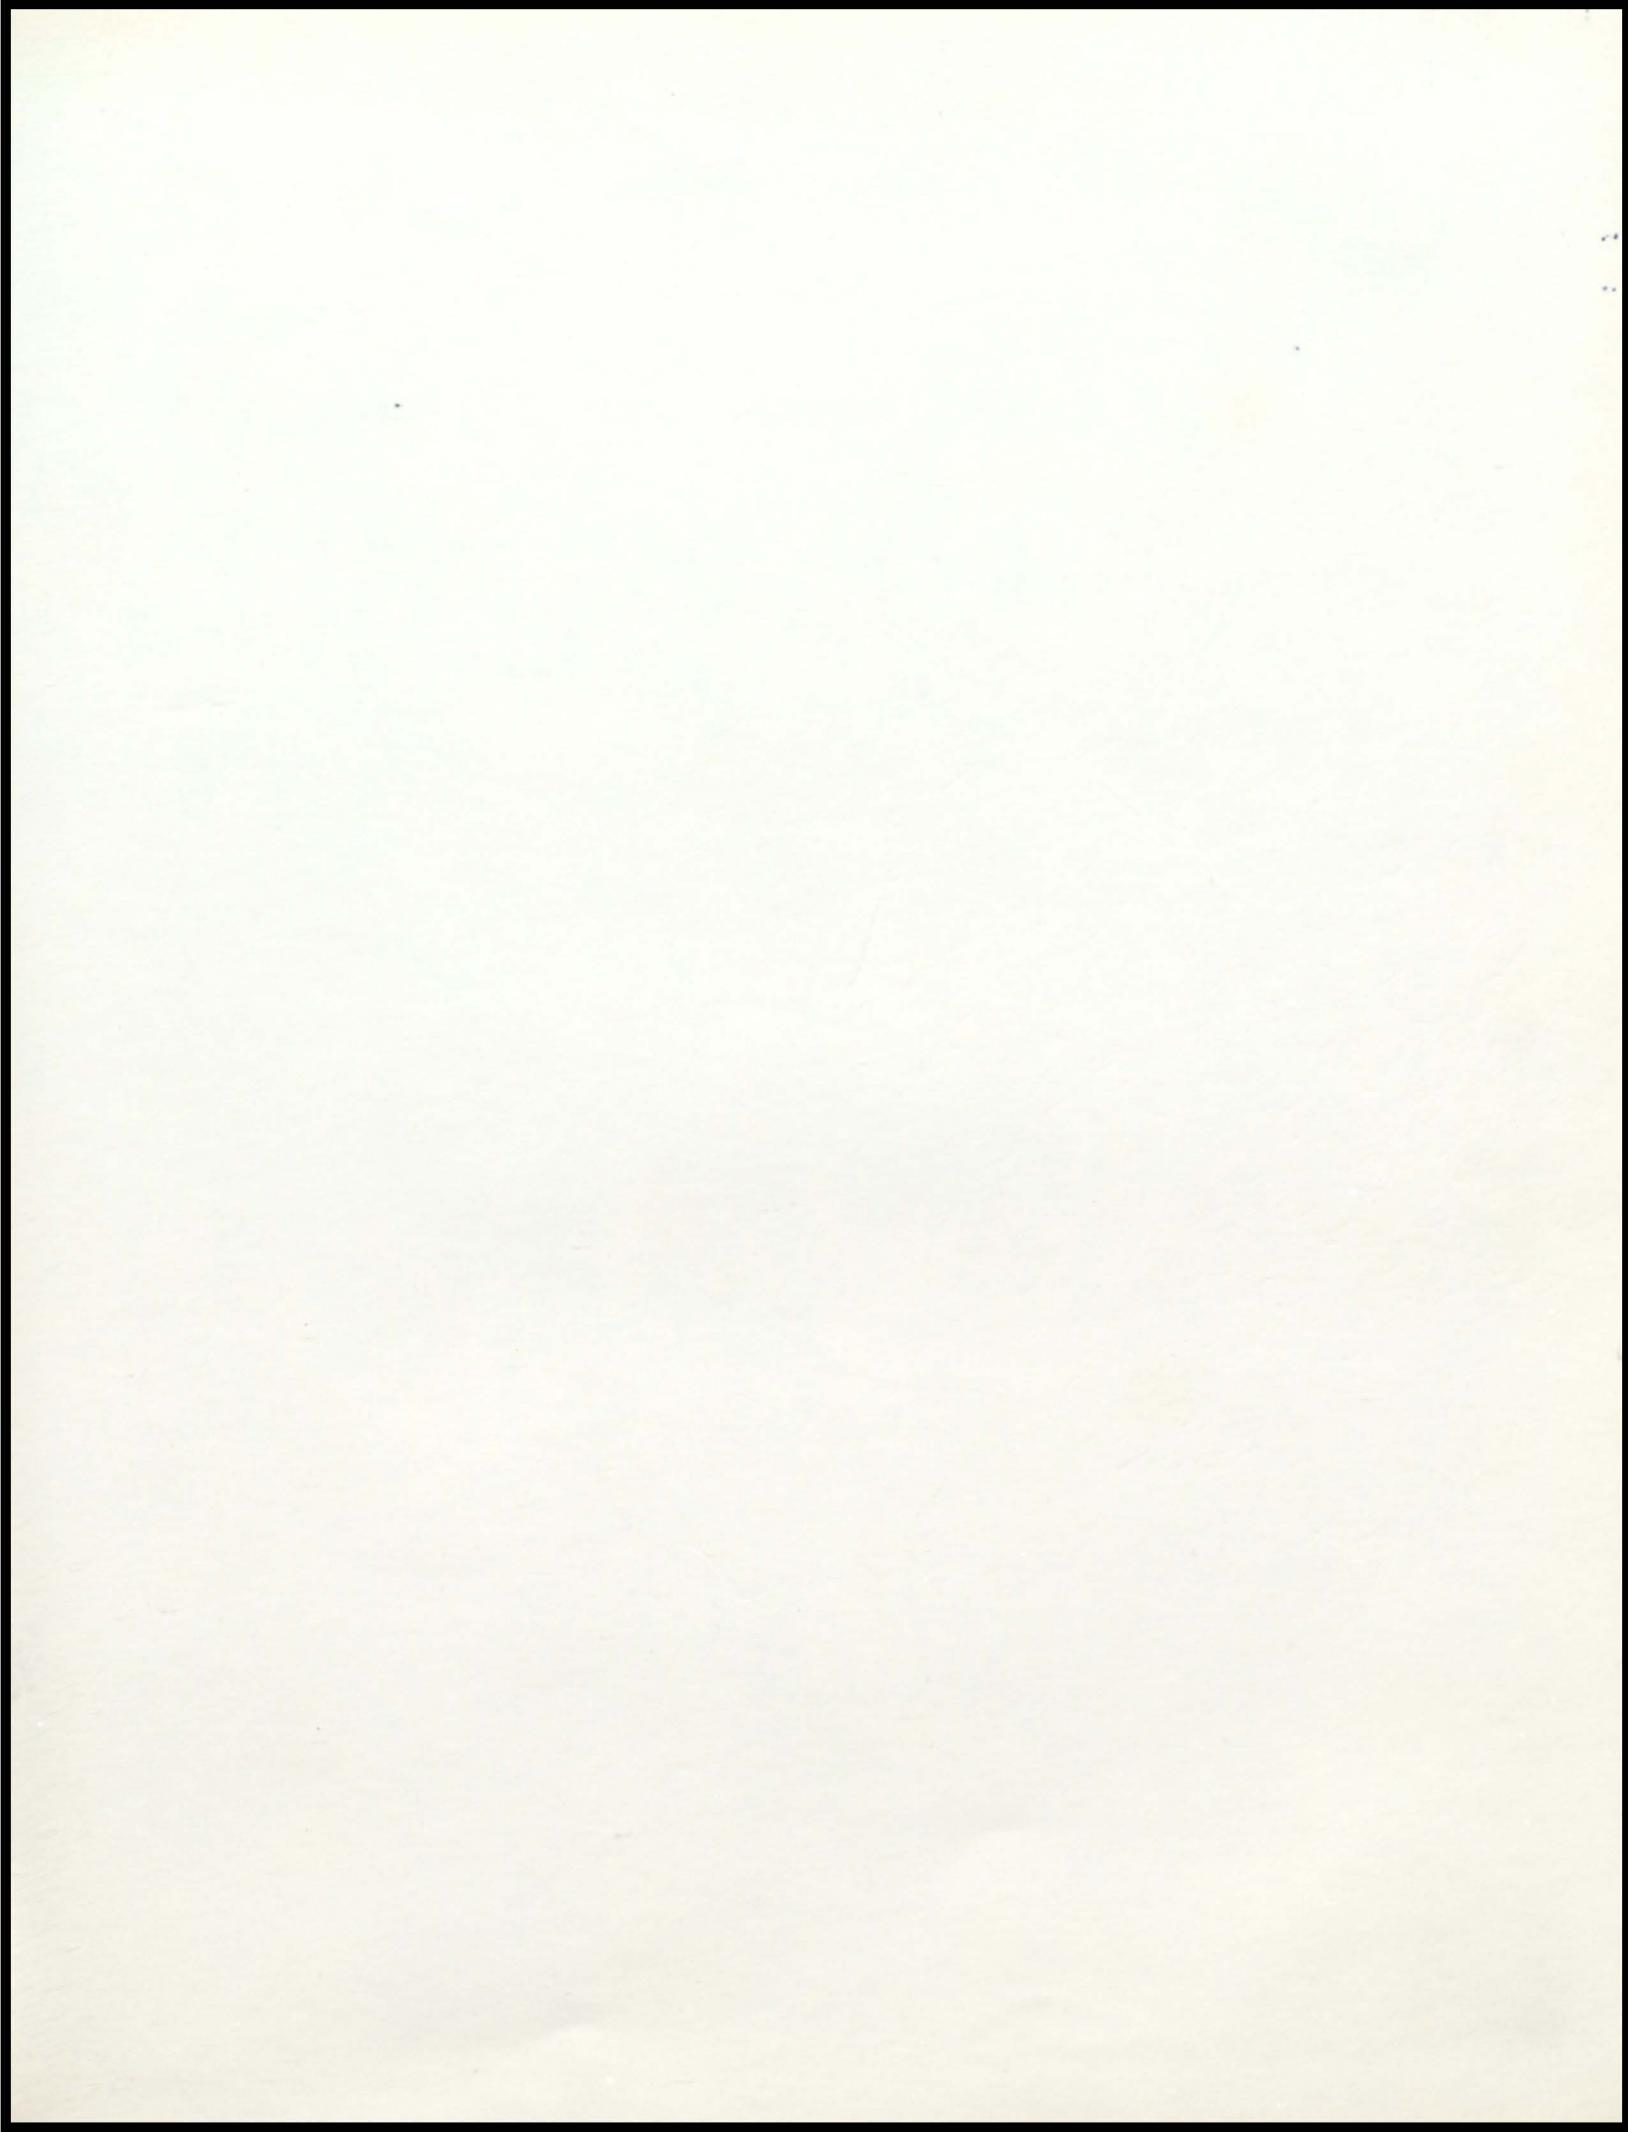

Everything is going fine  
And now we just have to keep in mind

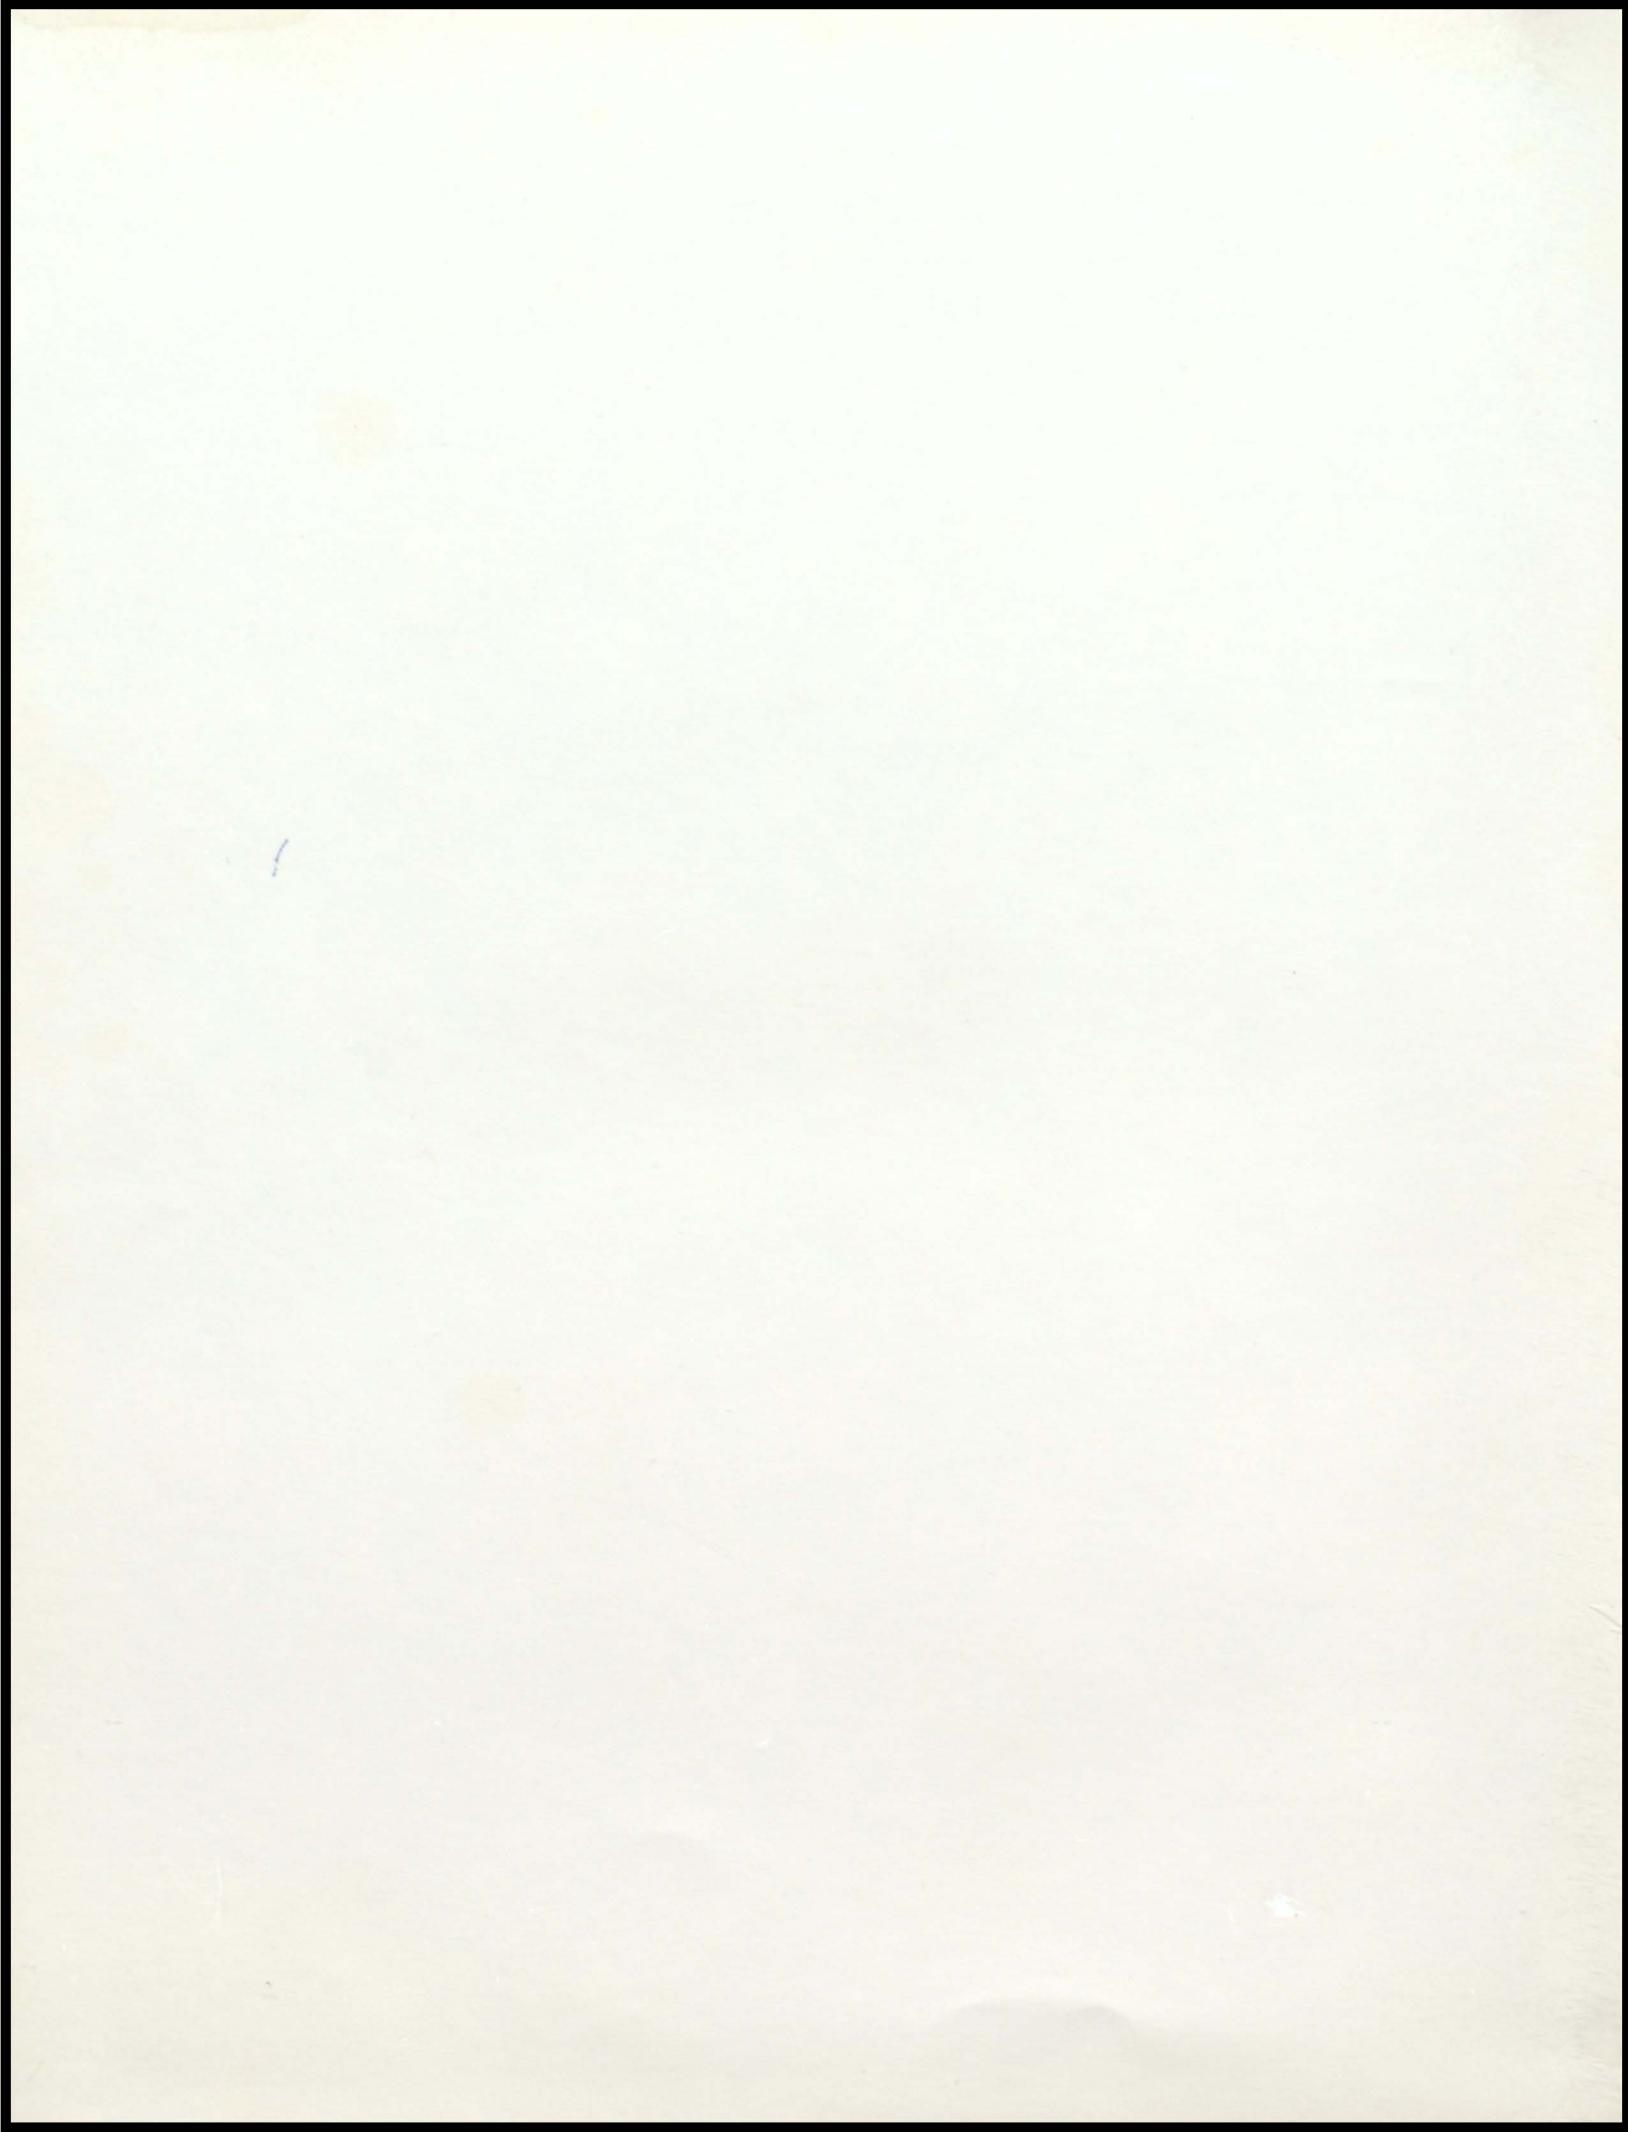

We must set brand new goals  
We must not lose control  
Of the possibility of the discovery  
That would let everybody see  
That we were just meant to be

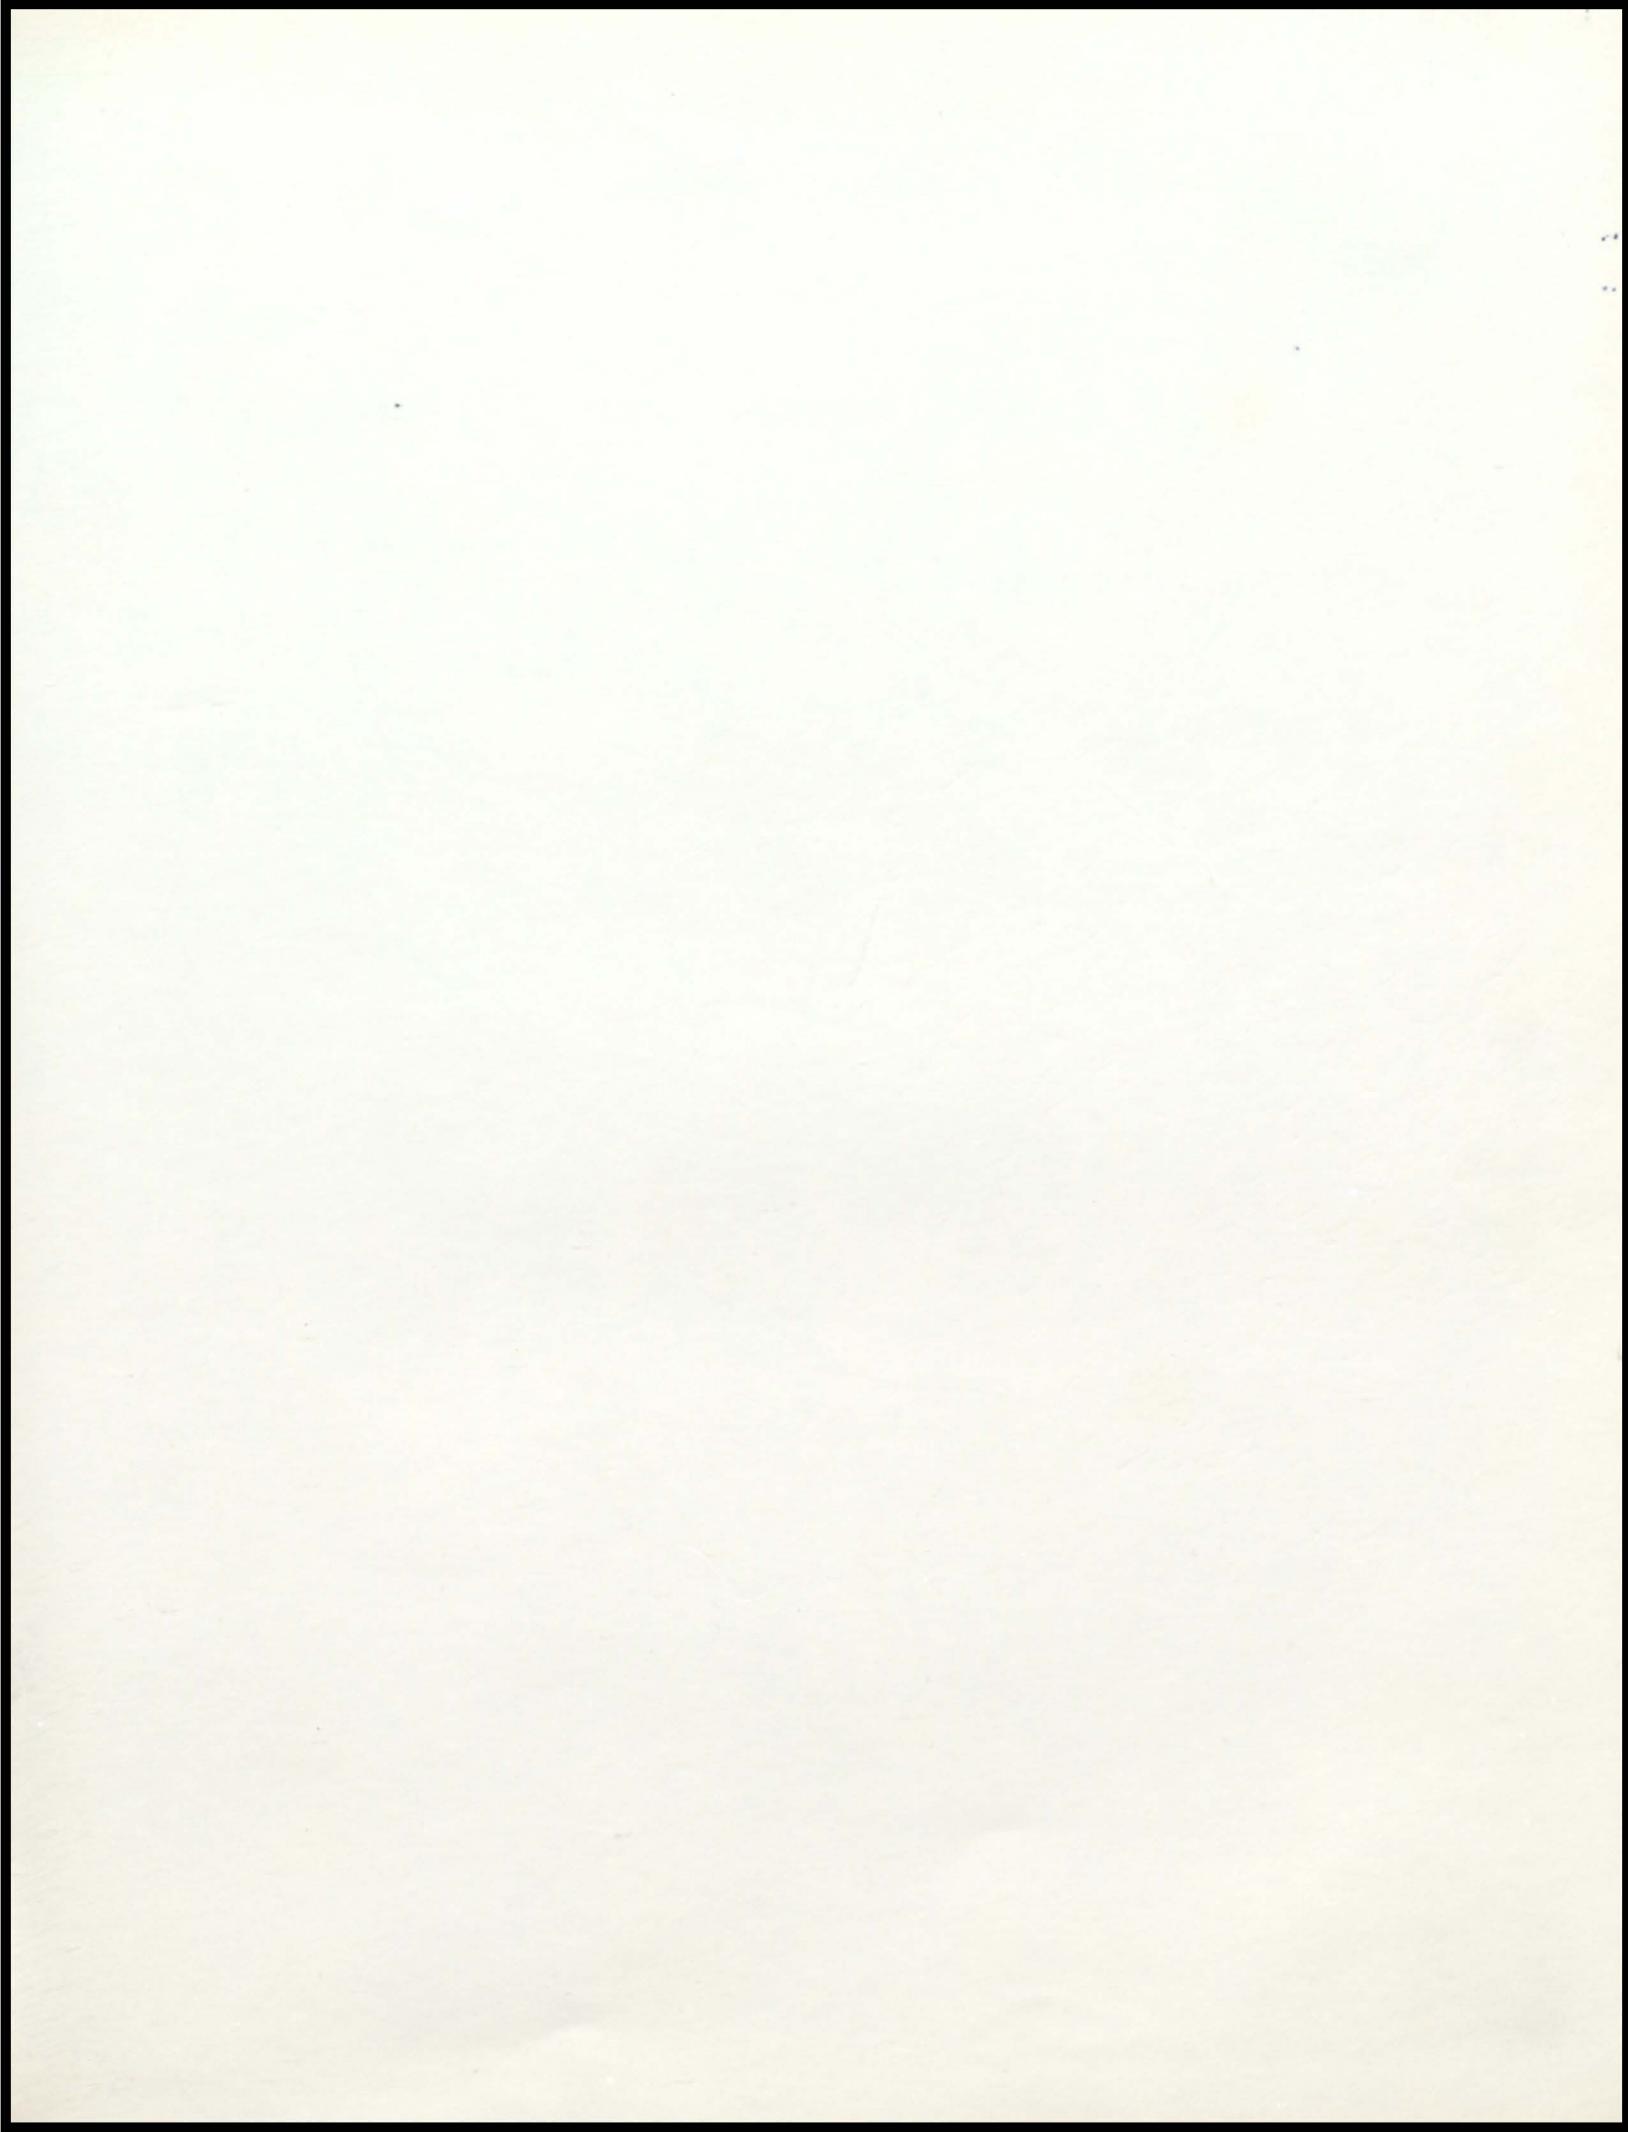

Terry Kath
